30 x 3 1/2

WHEN "USCO" announced its new low price of \$10.90 last Fall, the makers were already busy developing a still greater "USCO" value.

The new and better "USCO" as you see it today—with no change in price—and tax absorbed by the manufacturer.

You'll note in the new and better "USCO" these features—Thicker tread, giving greater non-skid protection. Stouter sidewalls.

Altogether a handsomer tire that will take longer wear both inside and out.
